QUESTION OF THE MONTH

(from Gloria Taylor, Chapter Personnel Affairs)

Who do I call to report a service member's death and start getting SBP/RSFPP for surviving spouse's benefits.? INQUIRY on **VETERAN BENEFITS?** Call 877-OHIOVET (Ohio Dept of Vet Benefits).

ADOPT-A-SOLDIER

It is impossible to observe Memorial Day and attend parades without thinking of our men and women in harm's way. You only have to read the daily paper to hear of military plane crashes and road-side bomb attacks, even homeland attacks, to be reminded that our present day military personnel need our prayers and support.

Your contributions to our program are fantastic. It is a small, but significant way that we can all support our deployed men and women. CDR Ross CO of NOSC-Naval Operations Support Center- provided us with our June name.

Please remember to bring a note (or two) that I can enclose in our July box. "Thank You" seems so little to say to all of you who have been so generous. I do file a report every month at the board meeting as to the donations of cash I receive and the receipts from purchasing additional items. See you in June at luncheon. Dorothy Williams (614) 423-7016.

House Leans Toward 1.9% Pay Raise

A House panel has voted to give the military a [1.9 percent pay raise](#) next January. That would be a half percentage point higher than what the Obama administration wanted simply to match private sector wage growth. The House armed services subcommittee on military personnel panel also endorsed increases next year in hostile fire pay and

family separation allowance, enough to restore the relative value of these payments to what they were in 2004 when they last were adjusted. MOAA lobbied for this increase.
